Join a statewide initiative focused on health and racial equity sponsored by the Commonwealth Fund.

Register to access the Racial Health Equity Progress Report: <https://equity.dotankdo.com/>

The Progress Report is a 34-item self-assessment designed to measure organizational performance towards achieving racial health equity. Once you complete the assessment, you'll receive a data analytics report for your organization to share with organizational leadership.

Two-Part Webinar Series + Assessment:

This webinar series will provide your hospital with the opportunity to translate your data from the Racial Health Equity Progress Report into action. We will guide teams through a process enabling your organization to reflect upon your data, focus on tangible best practices, outline a plan to execute those best practices, and commit to action through an equity charter.

Webinar 1: Racial Health Equity Progress Report Assessment + Analytics

June 12 from 12:00 p.m.- 1:00 p.m. CT

Webinar 2: Translating Your Data Into Action

August 7 from 12:00 p.m. -1:30 p.m.

At the conclusion of the two-part webinar series + assessment, organizations will have:

- Identified areas of opportunity to target based on their Progress Report analytics
- Completed process evaluation tools and action planning documents
- Prepared a Racial Equity Charter that details the organization's commitment moving forward
